SVVSD School Budget Open Forum Wednesday, February 3rd

The St Vrain Valley Board of Education is conducting a series of forums to provide information regarding how the State of Colorado's expected budget deficit of \$1.5 billion will impact education in our state and ultimately in our school district. They would like to hear input from you, the many students, parents, employees, area business owners, and other stakeholders, that have a vested interest in education in our community. Please mark your calendars and join us on Wednesday, February 3rd at 6:30 p.m. for this very important event taking place at Silver Creek High School, 4901 Nelson Road in Longmont. This is your chance to directly

address those making decisions on behalf of our children and community as they implement these requisite budget reductions. An on-line input form is also available to complete on the district's website - <http://www.stvrain.k12.co.us/news/2010011903.php>

Chick-fil-A Night Kindergarten & 1st Grade Tuesday, February 9th

Give back to your school and relax with some great food at the Larkridge Chick-fil-A (16670 Washington St., Thornton). From 5:00 to 8:00 p.m. a portion of your bill will be donated to the participating Erie Elementary classes. Drive thru orders qualify too!

A Message from our Hospitality and Volunteer Coordinator...

Thank you to all the 2nd, 3rd, 4th and 5th grade parents who provided meals for the parent/teacher conferences. Special thanks to those who provided extra ingredients and services to make the winter conference meals go smoothly. The teachers greatly appreciate all our efforts!
